Theme : "What do you want to become in the future? and Why?"

The threat of Coronavirus will be ended in the future. At the same time, global environmental problems like abnormal weather is getting more and more serious. ICT (Information and Communication Technology) like AI or self-driving cars or drones are developing so fast. The world is changing so rapidly.

Then, what kind of person do you want to become in the future? What kind of job do you want to become in the future? And why do you think so?

Write down your ideas frankly.
